WTSOLA-NL

Experience the marriage of beauty and durability as each Odyssey line fixture is built from solid brass and stainless steel and designed to last a lifetime.

Product Description

Elegant and stylish, the Solaris features a fully articulating shroud allowing maximum design control. The 5.5 inch bell shape shroud tilts and rotates to illuminate walkways or any other walking area with high efficiency. It's 20 Watt Astro-Brite lamp is ideal for creating a soft glow.

Standing 24 inches tall and featuring a soft curve stem, the Jupiter's sleek design is able to cast light patterns of up to 15 feet in surface area. The bell shape shroud houses a small, yet powerful, 20 watt Astro-Brite lamp.
