Experience the marriage of beauty and durability as each Odyssey line fixture is built from solid brass and stainless steel and designed to last a lifetime.

## Product Description

The half-moon shaped Venus is graceful and efficient. With its rounded top, this traditional path light emits soft lighting on paths, planters or any other surface area.

Delicate and sophisticated, the Neptune's tulip shaped shroud adds beauty and class to any landscape design. Standing 24 inches tall and featuring a soft curve stem, the Neptune's sleek design is able to cast soft light patterns.
